

Minimums and maximums, and maximum payouts are posted at the table.

Face Up Pai Gow Poker™ features head-to-head play against the dealer and offers the optional Fortune Bonus™ wager. As in standard Pai Gow, each player and dealer receive seven-cards, but in Face Up Pai Gow Poker the dealer's cards are dealt face-up.

Face Up Pai Gow Poker is a commission-free game. You do not pay a 5% commission when you beat the dealer; however, when the dealer plays Ace-High, you automatically push.

GETTING STARTED

To begin each round, make a standard Pai Gow wager or an Ace High Bonus wager. You may also make the Fortune Bonus wager.

FORTUNE BONUS

The Fortune Bonus Bet wins if your 7 card hand contains combinations of cards shown on the posted payable. If you wager at least \$5 on the Fortune Bonus, the dealer will place an "envy" button next to your bet. This qualifies you for an envy bonus payout. See payable for odds.

ENVY BONUS

The dealer pays any envy bonuses at the end of the round. If at least one player receives a hand that qualifies for Envy Bonus payouts, all players with envy buttons win. You can win multiple Envy Bonuses in a round, but you CANNOT win an Envy Bonus for your own hand or the dealer's hand. See payable for payouts.

ACE HIGH BONUS

The Ace High Bonus wager wins if the dealers hand is an ace high, odds are posted at the table.
