14. Rounds cannot be delayed due to late arrival. Players who arrive late may result in forfeiting their round and will receive a zero (0) score for that round.
15. Seat assignments will be randomly assigned on a first come, first served basis when a Player registers for the tournament/event. If needed, a Manual Registration Procedure will occur and seat assignments will occur at the table by the Table Games Associate shuffling numbered cards face down for each Player to randomly select their seat.
16. The tournament will consist of three (3) Qualifying Rounds, one (1) Semi-Final Round and one (1) Championship Round. Tables will be made up of a maximum of seven (7) Players. The two (2) Players with the highest chip total at their table at the end of their qualifying round (the "Qualifier") will proceed to the Semi-Final Round. The Player with the highest chip total at their table at the end of their Semi-Final Round, will proceed to the Championship Round.
17. Players will be given two thousand (\$2,000) dollars in tournament chips at the beginning of the Qualifying and Semi-Final Round. Championship Round Players will be given five thousand (\$5,000) dollars in tournament chips.   22. Each shoe will contain a total of eight (8) decks and a cushion of approximately two (2) decks.
  23. A tournament marker will be used to indicate the first Player of the hand. The marker will be moved in a clockwise direction at the end of each hand. All bets will be placed in the following manner, the Player with the tournament marker will bet first, and then the Player to his left shall bet, etc. Once a bet is made, it cannot be changed.
  24. The Player must act on their hand in a timely manner. Failure to do so, will result in a warning by the Table Supervisor. Further delay may result in disqualification from the tournament.
  25. The two (2) highest scoring Players from each table in the Qualifying Round will advance to the Semi-Final Round.
  26. Ties will only be broken if needed in the Qualifying and Semi-Final Rounds. The tied Players will participate in a six (6) hand sudden death Round. Players will retain their seats from the round. Should Players continue to be tied, additional sudden death periods will be played until a winner is determined. Should all Players participating in sudden death play lose their chips at the same time; an additional two hundred (\$200) dollars in Tournament Chips will be issued to each Player in order to complete the sudden death play until there is a Qualifier for the Semi-Final or Championship Round.
  27. In the event of a tie between two (2) or more Players with a same score in the Championship Round, the top cash prize for that score and the subsequent cash prize(s) (depending on the number of tied scores) will be split equally between the Players involved.

All tournament chips must be counted down and verified by the Table Supervisor at the end of each session before Players leave the tournament table, and the Player must sign for the session score. Tournament chips must be returned at the end of each session once the score is verified. By signing the score sheet, the Player agrees to their session score. A Player's failure to sign their score card will result in the Player's relinquishing the score confirmation to the scorekeeper and or tournament official.
